MEMORANDUM FOR : Deputy Director (Plans)
THROUGH : Acting Chief, Development Projects Division ^{5715.}
SUBJECT : Request for OXCART and CORONA Clearances for [REDACTED] 25X1A
[REDACTED], Office of General Counsel 25X1A

1. This paper contains a recommendation for the Deputy Director (Plans). Such recommendation is contained in paragraph 3.

2. Mr. Lawrence R. Houston, General Counsel, has been making available to Development Projects Division the services of [REDACTED] a member of his staff, in connection with a broad variety of contractual matters with which the Division is engaged. Quite recently Mr. Houston offered the full-time services of [REDACTED] to Development Projects Division without reference to the requirement for having the Division furnish a personnel slot. Based upon the extremely good working relationship between [REDACTED] and those people in the Division concerned with contractual matters, Mr. Houston's offer was accepted with alacrity. 25X1A

3. Up to this moment [REDACTED] has been working on matters primarily concerned with the CHALICE Project and other relatively insensitive matters. In order to make maximum use of his skills, it is recommended that the Deputy Director (Plans) approve a request for OXCART and CORONA security clearances and appropriate briefings. In this manner it is felt that maximum use can be made of his services. 25X1A
